Just think what this means to you. We are located right here where you live. We are an acquaintance, neighbor or friend of yours. Would we dare-or could we afford to give our endorsement to these remedies and make the statements we do unless we are positive our statements would be substantiated?

It stands to reason that we would lose your esteemed patronage upon which the success of our business depends, ruin our reputation and in other ways suffer severe loss unless we are perfectly truthful and knew exactly what we were talking about.

Rexall Remedies are the remedies we have been telling you about. Rexall means "King of All." It is derived from the Latin word "Rex," meaning King.

Rexall Remedies are always absolutely fresh, and their quality uniform. The experience, co-operation and professional advice of more than two thousand practical and leading druggists and chemiats guarantee that only formulas and ingredients of dependable and high quality are used and properly employed in the manufacture of Rexall Remedies.

Rexall Remedies are shipped from the United Drug Co. laboratories at Boston, Mass., direct to us. Thus the profit usually given to jobbers and wholesalers is saved, and in buying and selling Rexall Remedies in this manner we are able to give the public medicines of better quality and at a lower price than could otherwise be possible.

We know if you try one of these remedies you will be so pleased we will have you as a regular customer. Remember, we have a Rexall Remedy for each ill. Every one is guaranteed to give satisfaction or money refunded. There are millions of Rexall packages sold every year, and the money returned only amounts to one-half of one per cent. This shows how satisfactory they are.

Be Certain to Read Our Booklet "Health Insurance." If You Have Not Received a Copy We Have One for You.

Preserve and keep this book handy. At some time it will prove invaluable as a health guide. The pages describe only a few Rexall Remedies. If we have not described any remedy for your particular ailment, we urge you to come to our store and examine the complete list of Rexall Remedies.

Our Endorsement of Rexall Remedies.

To Whom It May Concern:—It seems to be a necessity for all well appointed drug stores to keep in stock a line of medicinal preparations to be sold to consumers of patent or proprietory preparations, for the various ils which afflict our common humanity. As a rule we do not recommend patent medicines for the reason that we do not know of what they are composed. This is not true of Rexall Remedies, for we are familiar with the receipt of every one of these preparations to be found in our stock. They are the result of deliberate judgement of a committee representing more than two thousand druggists in the United States, and a concensus of opinion of this learned body of me... as to what is best. We do not hesitate to give Rexall Remedies our personal endorsement for we have never sold a line of remedies that gave more universal satisfaction.

Very Respectfully,
RATH & BAINBRIDGE.

DODGE CITY, Kansas

The annual session of the Ford county Normal institute will be held at Dodge City beginning on Monday, June 7th.

All the teachers of Ford county, and all those who expect to become teachers are cordially invited to be present on the wait for a week before you enroll. The organization is fairly completed now, and the work will be as effective at the beginning as on the last day.

The daily program will be found in ment, which will be sent out about May 15th.

As a large part of our teaching force is recruited from the ranks of the beginner or those who have had but little experience, an effort will be made to direct the instruction so as to be the greatest good to this class of teachers. We would suggest that the teacher limit himself to five subjects, that the number of classes may be reduced to the minimum, thus affording a longer period for recitation and greater efficiency in instruction.

A Chicago club of women has decided that, as it is called a young woman's club, only those who are not over 40 can longer remain members. There used to be a time when 25 was considered the dividing age between youth and middle age, but so advanced are the times where women are concerned that the line has been moved on to the fat, fair and 40 limit.

HIGH-O-ME

That's the Way to Pronounce Hyomel, the Money-Back Catarrh Cure

As doubt exists in the minds of many readers of The Globe-Republican, let us say that the above is the proper pronunciation of America's most wonderful catarrh cure. The Palace Drug Company is the agent for Hyomei in Dodge City and they will sell you an inhaler, a bottle of Hyomei, and full instructions for use, for only \$1.00.

And if it fails to cure acute or chronic catarrh, asthma, bronchitis, croup, hay fever or coughs and colds, they will give you your money back. The person who suffers from catarrh after such an offer as that, must like to sniffle, spit and wherze, and be generally disgusting.

Read what Mr. G. F. Lowe says: "I have used Hyomei for a case of nasal catarrh which had bothered me for a long time. I can say Hyomei killed the germs of the disease and gave me the much sought and needed relief. From this experience I know Hyomei to be a reliable remedy, and I give it the praise and recommendation that it deserves."-G. F. Lowe, R. F. D. No. 7, Allegan, Mich., September 19, 1908
